About Bach to Rock

Bach to Rock is a music education program for students of all ages from early childhood through high school and beyond. Begun in 2007 with one site in Gaithersburg, Maryland, B2R now has five schools in the Greater Washington region and a rapidly growing enrollment. With community-based music schools

and a team sport approach to music education, its programs introduce and support musical learning and appreciation from early childhood through high school and beyond. The B2R system is based on the belief that learning music is fun and students learn best when they play music they enjoy in individual and group settings. Weekly ensemble instruction and jam sessions lead to public concerts, Battle of the Bands and recording sessions in B2R's professional recording studios. B2R builds technique, fosters teamwork and enhances self esteem through private lessons, band instruction, and public performance. Schools are located in Bethesda, Maryland, Gaithersburg, Maryland, McLean, Virginia, South Riding, Virginia, and Lansdowne, Virginia.
