

BATTLE OF THE BANDS

Judging Criteria

2 points will automatically be deducted for every 30 seconds the band goes over 8 minutes. 2 points will be awarded for each original song performed.

Band Name: _____

Category: _____

Songs Performed: _____

Rate both songs following a 10 point scale: 1 – poor, 5 – average, 10 – excellent

_____ **Musical Ability:** this category evaluates the overall “sound” of the band. Originality is strongly encouraged.

_____ **Stage Presence:** this category evaluates stage presence of the band and audience interaction

_____ **Technical Ability:** this category evaluates the technical proficiency of the individual team members in use of their respective instruments/vocals.

_____ **Professionalism:** this category evaluates the professional attitude of the bands, timekeeping (each band has 8 minutes to set up and do their set), appropriate lyrics (profanity will result in disqualification) and behavior.

_____ **Audience Reaction:** this category evaluates how the audience reacts to the performance and if there’s interaction between the band and the audience.
